Canadian College of Health Leaders and Emerging Health Leaders: Mentorship Program

Wednesday March 20, 2013
6:00-9:00pm

In partnership with the Emerging Health Leaders (EHL) Edmonton node, CCHL Northern Alberta Chapter would like to invite you to take part in our 2013 Mentorship program!

The aim of the CCHL/EHL Mentorship Program is to assist emerging and current leaders to achieve peak performance by establishing professional partnerships with current leaders in healthcare. These partnerships last about 1 year. This program has received a significant amount of positive feedback and remains to be in high demand!

If you are interested in taking part in our 2013 Mentorship Program, there is an initial mentorship event on March 20 that will enable mentors and mentees to meet through a speed mentoring format.

Please see the formal letter of invitation attached and send in your Mentor Profile Form to ehlmentorship@gmail.com by March 6.
