Emerging
HealthLeaders

**Southern Alberta Chapter and Emerging Health Leaders present
Leadership in Times of Crisis, the Health Care Response to the
June 2013 Floods, Lessons Learned**

November 20, 2013

1615 to 1930

Location: Ranchman's Club, 710-13 Avenue SW, Calgary

Featured Guest Speakers

- **Brenda Huband**, Leader, Health Operations (Central and Southern Alberta), Alberta Health Services
- **Rick Trimp**, Leader, Population Health Improvement and Population Health Services, Alberta Health Services

Calgary and surrounding southern Alberta communities experienced the worst natural disaster in Alberta's history in June 2013. The flooding that occurred significantly impacted many communities. This will be the second in a series of speakers talking about the emergency response to the disaster, both from the community and healthcare perspective, and the leadership lessons learned.

Agenda:

1615 – 1700	Registration
1700 – 1730	Speaker Presentation
1730 – 1800	Questions and Discussion
1800	Closing Remarks

Holiday Reception to Follow

Cost (Taxes included):

CCHL member: \$20.00

Non-member: \$30.00

Student member: \$15.00

Emerging
HealthLeaders

Brenda Huband is the Alberta Health Services executive Leader for Health Operations in Central and Southern Alberta. Included in her portfolio are operational and direct health service delivery components including: Primary Health services, Continuing Care (Long Term Care, Home Care etc.), Addiction and Mental Health Services, Acute Care, Emergency Medical Services (EMS).

During the Southern Alberta Flood, Brenda was the Incident Commander in the Calgary Zone Emergency Operations Center. As part of the flood response, Brenda led the Health Operations teams in Calgary and surrounding area including working with EOC's and community leaders in the affected communities.

Brenda and Rick now Co-Lead the Recovery Response for Central and Southern Alberta.

Rick Trimp is the Leader of Population Health Improvement and Provincial Health Services for Alberta Health Services. Included in his portfolio are Cancer Care Alberta, Primary and Community Care, Mental Health and Addictions, Population and Public Health, and Emergency Medical Services (EMS). Rick's position is an executive level position at Alberta Health Services.

During the Southern Alberta Flood, Rick was the Incident Commander in the Provincial Emergency Operations Center. As part of the flood response, Rick led the Public Health teams on the ground performing flooded housing inspections, working with community leaders in the affected communities and was the primary liaison between AHS and the provincial government.
