**A FIRST FOR CANADA, THE DEVELOPMENT OF A FIRST
NATIONS HEALTH AUTHORITY**

Guest Speaker: Joe Gallagher, CEO, Interim First Nations Health Authority

Friday June 22, 2012

7:30 a.m. to 9:00 a.m.

Location: Royal Jubilee, Patient Care Center, Lecture Auditorium

The presentation will focus on the development of a First Nations Health Authority in BC, a first for Canada. Through a series of comprehensive and collaborative political processes between BC First Nations, the Province of BC and the federal government, the Tripartite First Nation Health Plan (TFNHP) was signed in 2007. A key priority of the TFNHP was the establishment of a First Nations Health Authority (FNHA). The Framework Agreement on BC First Nation Health Governance (2011) signed by federal and provincial health ministers and First Nations Health Council/Authority representatives provided the legal framework for the establishment of the FNHA. The premise underlying the work is that Aboriginal Health is a shared responsibility and one of the key goals of the Health Plans is to develop reciprocal accountability among the parties. Come and learn what is happening provincially and regionally as we work together to map a shared future in service delivery with our First Nations partners.
